

ED. CRUMP BEATS FAVORITE ROAMER IN WHIPPING FINISH

Three Fast Entries in Fourth Kentucky Handicap Accepted Lead During Thrilling Race

[Republican A. P. Leased Wire]
LOUISVILLE, Ky., June 3.—In a terrific stretch drive, Ed Crump, a four year old Peen O Day-Evaline colt owned by John W. Schorr of Memphis overcame Andrew Miller's Roamer, American champion of 1913-14 and favorite in the betting, and by a half length won the fourth annual running of the Kentucky Handicap at Douglas Park today.

Roamer found his impost of 132 pounds too much. W. J. Young's filly Walter Witch lasted well in the stretch and was third, a length back of Roamer, and an equal distance in front of W. J. Weathers' Hodge.

The time for the mile and a quarter was 2:04 3-5. Ed Crump, coupled with Dick Williams as the Schorr entry was third choice in the pari-mutuel wagering at odds of slightly better than five to one.

At the rise of the barrier the eleven starters were well bunched and in this order passed the grand stand first time around the course. At the quarter Marion Gossby held a slight lead, but lost it to Harry Payne Whitney's Borow, last year's handicap winner while rounding into the back stretch. Borow was unable to endure the strain of pace making and stopped to nothing. Roamer had been running well up to this stage and sprinted into the lead, to hold it well into the stretch where he gradually succumbed to the winner. Jockey Guy Garner on Ed Crump rode a well timed race.

Jefferson Livingston's English bred Royal H and Dick Williams always were well up, but never could get to the flying leaders. Water Blossom, Frank O'Day, Marion Gossby, Borow, and Old Koenig finished in the order named and were badly strung out over a quarter of a mile.

Ed Crump's share of the purse, said to be the richest on the American turf this year, for all aged contestants was \$11,000. Second money was worth \$1,500; third, \$500, while the fourth horse secured its stake.

OVERLANDS ATTRACT LOTS OF ATTENTION

A great amount of attention has been attracted during the past few days, to the beautiful display in the big sales rooms of the Overland Automobile distributors, The Huntman-Hotchkiss Overland company. The display consists of three big Overlands. One a big six cylinder seven passenger car; a brilliantly colored car carries the sign, "D. R. Veldar. The new owner of this car is D. R. Veldar. It has the novelty of having a very neat small plate with the new owner's full name on the radiator just beneath the radiator cap. This beautiful car is equipped with white wire Hook wheels, carrying tires 35 x 4 1-2 inches.

Another car on display is a big steel grey colored car also equipped with white wire Hook wheels. It is also a six cylinder seven passenger car with exceedingly graceful lines. This car has just been sold to Mr. A. G. Gladney of Phoenix. The central car on display is one of the famous Willys-Knight, model 84. It has a black body, and is equipped with red wire wheels.

Speaking of the automobile business at present Manager Hotchkiss stated that automobile sales are very strong at this time and that general prosperity to a high degree was very evident. During the past week five cars had been sold by the local distributors. Exclusive of the wholesale sales, nine retail sale deliveries were made in Phoenix during the week.

"Overland automobiles," said Mr. Hotchkiss "are selling equally fast in every part of the United States, and foreign territory wherever it is possible to ship them." Gigantic factory additions are being built and the full capacity of the Overland manufacturing plants are being taxed to capacity to supply the demands of every section.

LONGSHOREMEN ON STRIKE

[Republican A. P. Leased Wire]
SAN FRANCISCO, June 3.—The second day of the strike of Pacific Coast longshoremen was marked by violence at the northern ports. At Tacoma a number of strikebreakers were forcibly removed by strikers from a steamer. Thirty strike sympathizers at Seattle

attacked fifteen nonunion men who were being conducted from the headquarters of the Water Front Employers' Union to the Milwaukee railway pier, beating two severely. The others retreated. No arrests were made. From San Diego to Puget Sound ports deep sea shipping continued at a standstill.

WISCONSIN WINS BIG NINE MEET; RECORDS MADE

Eastern Schools Clash and Break Many Records, Tied Others; California Makes a Fair Showing in Contests

[Republican A. P. Leased Wire]
CHICAGO, June 3.—Wisconsin, piling up 49 points, was returned conference track champion at Evanston today in a meet in which two world's records were tied, four big nine marks were broken and one other conference record tied.

Final points:
Wisconsin, 49; Illinois, 35 1-4; Chicago, 20 3-4; Missouri, 20 1-4; California, 12; Purdue, 12; Mississippi A. and M., 5; Kansas, 4 1-2; Notre Dame, 4; Minnesota, 3 3-4; Oberlin, 3; Northwestern 2; Indiana, 2; Ohio, 1; Ames, 1. It was announced at the close of the meet that Liversedge and Nichols of California were disqualified for having competed for an athletic club. The medals were returned and the points given the competitor next in the respective events in which Liversedge and Nichols took place.

The disqualification of Liversedge spoiled another record in the shot put, which he did at 47 feet 5 inches and with that of Nichols cost California 12 points as Liversedge finished third in the javelin throw and Nichols won the high jump.

Individually, Bob Simpson, the Missouri runner, was the star. He won the 120 yard high hurdles in his own world's record time of 14 3-5 second, broke the conference record by doing the low hurdles in 22 4-5 and took second place in the broad jump. Carman Smith of Wisconsin won ten points for the Badgers by taking first place in both sprints, tying the big nine record in the 220 yard dash.

Kinga Desmond, Chicago's great negro runner, not only broke the conference quarter mile record but equaled Ted Meredith's world's mark of 47 2-3. Desmond finished ten yards ahead of Williams of Wisconsin who finished second. Don Scott sole entrant from Mississippi A. and M., smashed the conference record in the half and equalled the eastern intercollegiate record of 1:53 1-5. Arlie Blucks of Wisconsin broke the conference record in the discus throw with 55 feet two inches, and through Liversedge's disqualification was awarded first place in the shot put. Stout of Chicago won the two mile in conference record time of 9:29 3-5.

Fall of Oberlin gave Mason a great race in the last quarter of the mile but the Illinois runner answered his challenge and won in 4:20 1-5. Fisher of Chicago lost in the high jump in the jump-off to Nichols but crossed the bar at six feet 1 1-2 inches, tying the conference record.
